27 Plaintiff and Counter-  
28 defendant

v.

DELL, INC.,

Defendant and Counter-  
claimant.

CASE NO. C 05-03317 CW

**STIPULATION TO CONSIDER  
WHETHER CASES ARE RELATED;  
[PROPOSED] ORDER**

Pursuant to Civil L.R. 3-12, Plaintiff InterVideo Digital Technology Corporation, now known as Corel TW Corporation ("Corel"), and Defendant Dell, Inc. ("Dell") notify this Court of a case meeting the definition of a "Related Case" under the Civil L.R. 3-12, namely the recently filed case entitled *Corel TW Corporation v. Cyberlink Corporation and Cyberlink.com Corporation*, CV 08-2146 JL filed on April 24, 2008 ("*Corel v. Cyberlink*"). Corel has asserted the same United States Patent No. 6,765,788 ("the '788 patent") against Defendants in both actions. Thus, at a minimum, the same intellectual property is at issue in both cases, and it appears likely that there will be an unduly burdensome duplication of labor and expense or conflicting results (e.g., claim construction rulings) if the cases are conducted before different judges. Civil L.R. 3-12(a). Accordingly, it appears appropriate for the Court to consider whether the cases should be related under Civil L.R. 3-12.

In furtherance of this stipulation, the parties remind the Court that this case was stayed at an early stage pursuant to 28 U.S.C. § 1659 until the resolution of United States International Trade Commission Investigation No. 377-TA-588, and the Court has ordered that the next Case Management Conference be held in this action on June 17, 2008.

By his signature below, counsel for Plaintiff attests that counsel for Defendant Dell concurred in the filing of this document.
